Professional Summary

Final-year B.Tech student specializing in Artificial Intelligence and Machine Learning with hands-on experience in Python Programming, Machine Learning, Data Analysis, and Artificial Intelligence. Developed intelligent solutions including an AI-Powered Resume Analyzer, House Price Prediction System, E-Commerce Analysis Dashboard, and Linear Regression Models. Passionate about building data-driven solutions, solving real-world problems, and applying AI technologies to improve decision-making. Seeking opportunities as an AI/ML Engineer or Software Developer.

Technical Skills

Programming Languages: Python

Machine Learning AI: Machine Learning, Artificial Intelligence, Predictive Modeling, Linear Regression, Data Preprocessing, Feature Engineering, Model Evaluation

Data Analytics: Data Analysis, Data Visualization, Data Cleaning, Statistical Analysis

Tools Platforms: Git, GitHub, Jupyter Notebook, Google Colab, MS Excel

Projects

AI-Powered Resume Analyzer

- Developed an AI-based resume analysis system using Python to identify skills, keywords, and profile strengths from resumes.
- Automated resume screening processes and improved candidate evaluation through intelligent keyword extraction.

House Price Prediction System

- Built a machine learning model using Python and regression techniques to predict housing prices from property datasets.
- Performed data preprocessing, feature selection, and model evaluation to improve prediction accuracy.

E-Commerce Analysis

- Analyzed e-commerce datasets to identify customer behavior, sales trends, and business performance indicators.
- Generated actionable insights through data visualization and analytical techniques to support decision-making.

Linear Regression Model

- Designed and implemented a predictive analytics model using linear regression algorithms in Python.
- Evaluated model performance and interpreted results using statistical and data analysis methods.

Certifications Achievements

- Google AI ML Virtual Internship - EduSkills
- Java Full Stack Developer Program
- TechSaksham Training Program
- Web Development Certification

Education

Bachelor of Technology (B.Tech) - Artificial Intelligence Machine Learning

Kakinada Institute of Engineering and Technology

2023 – 2027

Intermediate (MPC)

Sasi Junior College

2021 – 2023
